## WHY ATTEND?

### See Our Products Up Close:

This Open House is your chance to get hands-on with our innovative equipment and see how it can benefit your operations.

### Expert Q&A:

Our support staff will be available to answer all your questions about our products and their capabilities

### Multi-sensor Metrology Machine Demonstrations:

Witness the power and precision of our Multi-sensor Metrology Machines firsthand!

Can't Make it to IMTS? No Problem! We understand that attending major industry events like IMTS isn't always feasible. *That's why we're bringing the show directly to you!*

### Preparation is Key:

To maximize your valued time, we encourage you to send us any parts and CAD files you'd like demonstrated beforehand. This will allow us to tailor demonstrations to your specific needs and showcase how our machines can provide solutions for your company

Training and Educational Seminars will be held throughout our state-of-the-art calibrations lab!
